The Berenstain Bears®
Financial Literacy Program

Mama is teaching **Brother** and **Sister Bear** about checks. A check is a piece of paper that tells the Credit Union or Bank to pay someone a certain amount of money. **Brother** and **Sister** get checks for their birthdays every year from **Grizzly Gramps.** When they take the check to the Credit Union, the money comes out of **Grizzly Gramps'** account.

Take a look at **Grizzly Gramps'** check for **Sister Bear.** Fill in the two checks below. Write the first check to **Brother Bear** for twenty dollars. The date should be today's date. In the "For" line you can write "Brother's chores."

Write the second check to **Mama Bear** for $100.00. Write today's date and in the "For" line write " Groceries."

EXAMPLE

		001
Grizzly Gramps		DATE April 1, 2020
(Your name) 4 Treehouse Lane, Bear Country		
(Your address)		
PAY TO THE ORDER OF Sister Bear		$ 5.00
